

12th January 2011

Dear Parents,

Year 6 will be trialling a “drop in homework club” during Friday lunchtimes within the Spring Term starting Friday 14th January. This will enable pupils to discuss with an adult any areas of concern about their homework, to do their homework and to have access to a computer. We feel that this will be beneficial to Year 6 students who sometimes find homework challenging.

Pupil’s attending these sessions will have their lunch as normal and “drop in” either before or after eating.

Yours sincerely

Martin James
Headteacher
