Dear Parents / Carers

We have recently carried out a review of our school uniform prices, for the first time in five years. Unfortunately, this means that we need to increase our prices to you.

We are attaching a copy of the new price list, which is also available from the school office and on our website. These prices are effective from today.

We are also in the process of changing the embroidery of the school owl logo to match our new signs and publications. Stocks have been ordered and should be available before the end of term.
