Dear Parents / Carers

On-line payments

We are currently investigating the possibility of introducing on-line payment for school items. This would enable you to pay for items at any time of the day or night!

We are hoping to have a link from our school website directly through to a 'shopping' page where you will be able to make your selections. The idea is to include dinner money, milk money, items of uniform, school trips etc.

You will be able to choose the relevant items, put them into your 'basket' and move on to the payment screen (just as if you were shopping at Amazon). We would check on a daily basis for orders of items such as uniform, process the orders and let you know when they are ready for collection or for sending home with your child.

You will be able to pay by debit or credit cards. Payments by cash and cheque will of course still be acceptable, but we are hoping that you will find the on-line payment system convenient and straight-forward to use.

These things take a while to set up so it might not be up and running immediately in September but we will keep you informed and let you know as soon as it is available.

Yours sincerely

Simon Duncan
Headteacher
